DCR Free Family Movie Series

This summer celebrates the 20th Anniversary of the **Free Family Movies** series for the Massachusetts Department of Conservation & Recreation (DCR). The series began with the **Free Friday Flicks** at the Hatch Shell sponsored by CBS4 & WBZ Newsradio. For the last 12 years the **Free Family Movies** has become a treasured summertime tradition for Massachusetts families and people of all ages who gather at various Parks & Reservations to enjoy FREE movies under the summer sky.

The movies begin at sun down and people are encouraged to bring their own chairs, blankets and picnics. Movies are shown weather permitting. Due to copyright issues, the movie titles cannot be released prior to show time.

The DCR Free Family Movie Schedule is as follows:

Sundays Nights July 9 through July 24: Nickerson State Park, Brewster

Sundays Nights August 6 through August 27: Massasoit State Park, Taunton
